

M/BI/6 Deposit by the Royal Pharmaceutical Society Acc 1845

A pencilled note, on the first page of the volume reads: 'W H Lambert, Pharmaceutical Chemist, Newtown'. The RPS registers show a W H Lambert as registered in 1874, and moving to Newtown in 1875. A Trade Directory for 1895 has a W Lambert at The Cross, Newtown. Since the prescription book starts in 1869, Mr Lambert may have taken over an existing business when he moved to Newtown. The addresses in the prescription book, where given, are in N Radnorshire (eg Penithon) and the area round Newtown in Montgomeryshire (eg Aberhafesp, Llandinam, Abermiwl)
