- /118                      Ex parte instructions to Counsel, on behalf of Miss Katherine Williams, for a decision to settle three securities                      1874
- Recitals:  
 Bryngwyn: mortgaged to C F D Caillard and W H P Gore Langton (deceased) for £4,712, dated 9 July 1857. This mortgage is to be transferred to Captain Dashwood and others to secure a further £5,288, taking a first charge on Bryngwyn for £10,000. There is also a mortgage to Colonel John Edward Madocks for £8,212 1s 6d in cash and £6,776 14s 1d in securities, dated 25 June 1861. These to be paid off, and the estate reconveyed.
- Old Hope, Jamaica: mortgaged to Colonel Madocks for £20,000, dated 5 Dec 1816. This sum to be collaterally secured by a mortgage on Bryngwyn, subject to the £10,000 mortgage to Dashwood and others.
- The three securities:
- Mr William R Sandbach and Col Madocks have agreed to lend a sum [not inserted] to Miss Williams, secured by [1] a further mortgage on Bryngwyn; [2] a mortgage on the Jamaica estate; [3] a mortgage on the one fourth share of Miss Williams and the one fourth share of Mrs H R Sandbach [her sister, Elizabeth Charlotte] in the £20,000 fund, derived under the settlement dated 5 October 1811 on the marriage of Martin Williams to Miss Mary Madocks.
- It is suggested that, as the two fourth shares are unencumbered, they could be the primary security, with the mortgages on Bryngwyn and Old Hope as collateral securities
