Llansantffraid History Crafters

Acc 2081

Previously called the Llansantffraid History Group (formed in 2005), the Llansantffraid History Crafters was formed in 2008 to oversee a community arts project to produce three wall hangings depicting the history of the village to be displayed in the village community centre. The project was inspired by 'The Life and Times of Llansantffraid-ym-Mechain', published by the History Group in 2006.
