

RADNORSHIRE PARISH REGISTERS AT POWYS ARCHIVES

FORMAT

The format indicates how you can view these registers in our searchroom. Please note – some of our parish registers are not yet microfilmed or digitised, and are therefore not yet available for viewing. We are in the process of digitising these in order to make them available to searchers. ***IN THE MEANTIME WE REGRET THAT ORIGINAL PARISH REGISTERS WILL NOT BE PRODUCED FOR PUBLIC VIEWING.***

SEARCHROOM INDEXES

We have indexes available for lots of parishes in our searchroom that have been completed by family and local history societies, and archives staff. Please ask us how to access these. The covering dates for each parish are included below.

IGI

The International Genealogical Index (IGI) has been compiled by the Genealogical Society of Utah (GSU) and which includes many baptism and marriage registers from across England and Wales. It is available on microfiche in our searchroom or on the www.familysearch.org website. Again covering dates for each parish are included below or are available online here:

FINDMYPAST.COM (FMP)

Most of our parish registers now appear on Findmypast. See the righthand column for details.

*Please note the end dates for the registers online are as follows: baptisms 1907; marriages 1925
